BOOKMARKS

Sizes:

1.5" x 7"

2" x 8"

Print Options:

Full Color Both Sides

Full Color Front, Grayscale Back

Full Color Front, Blank Back

Additional Options:

Rounded Corners - Corner Radius 0.25"

* Not available for all paper stocks

Provide vital information that pertains to your company such as contact information or reminders of upcoming dates and events.

Choose our 14 pt. Gloss Cover for a beautiful shine, the 14 pt. Uncoated Cover for a textured look, or one of our Matte stocks for a more subdued and vintage look. We are also now offering Trifecta triple-layered paper!

High Gloss UV Coating makes the products more durable, so your cards will last longer. You cannot write or print on products with High Gloss UV Coating.

If you would like to write on the back of your bookmark, choose the 14 pt. Uncoated Cover or select High Gloss UV Coating Front Only on the 14 pt. Gloss Cover.

Our High Gloss UV Coating Front Only option may produce variation in color and brightness between the front and back of your product.

Please note that due to the fact that we print in large volumes, different paper types may have different quantity options.

BROCHURES

Popular Sizes:

6" x 9"
8.5" x 11"
8.5" x 14"
9" x 12"
11" x 17"

Paper Stocks:

100 lb. Gloss Book
100 lb. Gloss Cover
70 lb. Opaque Smooth White
80 lb. Gloss Book
100 lb. Recycled Matte Cover
80 lb. Recycled Matte Text
Recycled paper option available.

Print Options:

Full Color Both Sides

Fold Options:

Half Fold
Tri-Fold
Z-Fold
Open Gate Fold Closed Gate Fold
Double Parallel Fold
Double Parallel Reverse Fold
Roll Fold (4 Panel)
Half Fold then Half Fold
Half Fold then Tri-Fold Accordion Fold (4 Panel)

Brochures are a key element of a marketing campaign, as they serve as a constant sales tool for your company. There isn't a better way to highlight the essentials of your business!

Select a folding option that will best fit your design. Make sure each panel is clear and easy to follow separate different topics onto their own panels for a smoother flow.

We do not recommend crossover text and/or images for the Closed Gate Fold. Due to a slight gap between the far left and far right panels, text and/or images will not meet.

The Half Fold then Half Fold is an 8-page fold, and the Half Fold then Tri-Fold is a 12-page fold.

Choose one of our glossy stocks for a beautiful shine, the 70 lb. Opaque Smooth White for a textured look, or one of our Matte stocks for a more subdued and vintage look.

Due to the fact that we print in large volumes, different paper types may have different quantity options.

Aqueous coating will be applied to 250+ quantity orders printed on 100 lb. Gloss Book or 100 lb. Gloss Cover paper stocks.

Quantities of 100 and fewer printed on 100 lb. Gloss Book or 100 lb. Gloss Cover paper stocks will be printed digitally with no coating.

Sleek and chic, business cards are the quintessential tool for the enthusiastic networker. Attract potential clients and grow brand recognition with show-stopping business cards at the lowest prices imaginable!

Choose our Gloss stock for a beautiful shine or one of our Matte stocks for a more subdued and vintage look.

For truly luxurious cards, we're now offering our Trifecta ultra thick, triple-layered paper!

Designing an appointment card or want to write on the back of your card? Choose the 14 pt. Uncoated Cover for a writable surface.

For the 14 pt. Gloss paper stock, a High Gloss UV Coating will be applied to the color sides, unless High Gloss UV Coating Front Only is selected. High Gloss UV Coating will not be applied to the back if you select Gray-scale Back or Blank Back. High Gloss UV Coating makes the products more durable, so your postcards will last longer. You cannot write or print on products with High Gloss UV Coating.

Our High Gloss UV Coating Front Only option may produce variation in color and brightness between the front and back of your product.

Please note that due to the fact that we print in large volumes, different paper types may have different quantity options

Most popular business cards: 2" x 3.5" Full Color Front/Full Color Back printed on 14 pt. Gloss Cover

CD PACKAGES

Sizes:

4.75" x 4.75" Single Panel Without Tray
4.75" x 4.75" Single Panel With Tray
4.75" x 9.5" Double Panel Without Tray
4.75" x 9.5" Double Panel With Tray

Print Options:

Full Color Both Sides
Full Color Front, Blank Back

Paper Stocks:

100 lb. Gloss Book
80 lb. Recycled Matte Text
Recycled paper option available.

Choose between Single and Double Panel inserts. Include information about the subject matter of the CD, a short summary, and don't forget to feature the essentials of your message.

Add tray cards to your order and make the most of the back of your CD packages. Provide your customers and fans with the necessary details - include track listings or chapters on the back and titles on the side.

CD cases are not included. Inserts can only be inserted by hand.

Choose our Gloss stock for a beautiful shine, or our Matte stock for a more subdued and vintage look.

Due to the fact that we print in large volumes, different paper types may have different quantity options.

Aqueous coating will be applied to 250+ quantity orders printed on 100 lb. Gloss Book paper stock.

Quantities of 100 and fewer printed on 100 lb. Gloss Book paper stock will be printed digitally with no coating.

Attract Attention with Customized CD Package Inserts

CD packages are essential for showcasing your media in a professional manner. By creating custom CD covers and trays for your music album, your record will look professional and ready to hand out to everyone from your closest friends to studio executives.

Our CD inserts are affordable for independent artists, emerging bands and entrepreneurial software developers. Your cover photos, art and text will be printed on high-quality, premium paper – you can choose between a classic glossy stock or a recycled matte paper.

A single panel cover is perfect if you want to keep it simple with stunning artwork and a track list. If you need a little more room to include the band members / contributors' names plus any other credits and thank yous, order a double panel cover instead. For a truly impressive finish, include a tray insert for the back of the CD case that features contact details, social media handles or copyright information.

16 pt. Premium Matte Cover
80 lb. Recycled Matte Text
100 lb. Recycled Matte Cover
Recycled paper option available.

Advertise your business in a location that can't be missed - your customer's front door. Create eye-catching door hangers with a clear call to action for an effective marketing strategy that works.

Customers are much more likely to opt for a business nearby, so be sure to target the neighborhoods closest to your location.

Another city election around the corner? There's no better way to promote candidates and measures than going door to door with personalized door hangers!

Create an incentive for your customers - discounts and coupons will help ensure potential customers stop by or order from your business rather than going to a competitor.

Choose our Gloss stocks for a beautiful shine, the 14 pt. Uncoated Cover for a textured look, or one of our Matte stocks for a more subdued and vintage look.

High Gloss UV Coating makes the products more durable, and will ensure your door hangers last in unpredictable weather conditions. You cannot write or print on products with High Gloss UV Coating.

For the 14 pt. Gloss paper stock, a High Gloss UV Coating will be applied to the color sides, unless High Gloss UV Coating Front Only is selected. High Gloss UV Coating will not be applied to the back if you select Blank Back. Our High Gloss UV Coating Front Only option may produce variation in color and brightness between the front and back of your product.

Due to the fact that we print in large volumes, different paper types may have different quantity options.

Aqueous coating will be applied to 250+ quantity orders printed on 100 lb. Gloss Book or 100 lb. Gloss Cover paper stocks.

Quantities of 100 and fewer printed on 100 lb. Gloss Book or 100 lb. Gloss Cover paper stocks will be printed digitally with no coating.

DVD CASES

Sizes:

7.1875" x 10.75"

Paper Stocks:

100 lb. Gloss Book

DVD cases not included. Inserts can only be inserted by hand.

Make your DVD inserts noticeable for maximum exposure. Feature interesting graphics and vital details to inspire your customers and fans to make a purchase!

Choose full color on both sides and make the most of the space on the back - provide snippets of reviews, a short summary of the subject matter, and highlight the best features of your media.

Aqueous coating will be applied to 250+ quantity orders printed on 100 lb. Gloss Book or 100 lb. Gloss Cover paper stocks.

Quantities of 100 and fewer printed on 100 lb. Gloss Book or 100 lb. Gloss Cover paper stocks will be printed digitally with no coating.

Promote Your Media with Custom DVD Package Inserts

Design a stylish DVD package that you'll be proud to show off. A professional well-designed DVD insert will not only draw interest from your fans and customers but also communicate the highlights of your media.

Our high-quality DVD packages are perfect for exercise guides, instructional videos, and independent films. Available in a standard 7 3/16" x 10 3/4", allowing you plenty of room to include an index, credits, bio and more.

ENVELOPES

Popular Sizes:

#9 (3.875" x 8.875") Commercial
#10 (4.125" x 9.5") Standard
A-7 (5.25" x 7.25") Announcement
#10 (4.125" x 9.5") Universal

Materials:

70 lb. Opaque Smooth White

70 lb. Paper
Smooth White

Print Options:

Full Color Front (Outside)

Envelopes are a crucial component of corporate identity and can be accompanied with a formal letter for direct-mail advertising or used for day-to-day correspondence. Whether you are mailing a letter, an announcement or a brochure, showcase your logo and company information for maximum exposure. Personalized envelopes attract the immediate attention of the reader or the customer even before they reach for the letter opener!

Please note that there is possibility of up to 1/16" shift on the envelope die cuts.

Envelopes are printed flat with full bleed, then cut, converted, and glued. This way, you're able to customize your envelope with full-color flaps and panels. Note: We do not print on the inside of the envelope.

We offer 70 lb. Opaque Smooth White paper for both envelopes and letterheads for a matching and professional stationery package.

We do not recommend using dark, high-density colors (black, purple, blue, brown, etc.). Dark colors tend to get soaked into the paper if their color values are too high and may cause offsetting. For best results, use lighter colors.

Since our envelope paper stock is uncoated, you can easily write on your envelopes or use them in your Laser or InkJet printers for customization.

Our envelopes are available in multiple sizes to fit various promotional and personal items, including letters, announcements, invitations, cards, brochures, and folded leaflets.

Please note that due to the fact that we print in large volumes, each product has different quantity options.

FOLDERS

Sizes:

4" x 6" Small Press Kit
6" x 9" with 3" Pocket
6" x 9" with 4" Pocket
6" x 9" Sample Kit
9" x 11.5" Sample Kit
9" x 12" Standard
9" x 14.5" with 4" Pocket
(Legal)

Paper Stocks:

14 pt. Gloss Cover
14 pt. Uncoated Cover
16 pt. Premium Matte Cover
100 lb. Recycled Matte Cover

Print Options:

Full Color Both Sides (Outside and Inside)
Full Color Front (Outside),
Blank Back (Inside)

Custom folders keep relevant material organized and are perfect for handing out at business meetings and sales pitches.

This product is sent assembled.

When submitting files, make sure all text and graphics for the pockets are upside down. Folders are printed flat and the pockets will fold up into the inside of the finished product.

Make sure all text is legible. Anything under 10 pt. will be hard to read.

Choose from a wide selection of sizes pocket/business card slit options. Our business card slits are suitable for standard 2" x 3.5" business cards.

Choose our Gloss stock for a beautiful shine or the 14 pt. Uncoated Cover for a textured look to your folder.

For the 14 pt. Gloss Cover, a High Gloss UV Coating will be applied to the Front (outside) only. High Gloss UV Coating makes the products more durable, so your folders will last longer. You cannot write or print on products with High Gloss UV Coating.

BANNERS

Popular Sizes:

2 ft x 4 ft
3 ft x 6 ft
3 ft x 8 ft
4 ft x 8 ft
4 ft x 10 ft

Materials:

10 oz. Premium Mesh Vinyl
13 oz. Premium Scrim Glossy Vinyl
13 oz. Premium Scrim Matte Vinyl

Design and display for exhibits, grand openings, graduation parties, political campaigns, and welcome signs.

Our resilient banners can be used indoors and outdoors. They are made to withstand harsh weather conditions such as wind and rain.

If properly taken care of, banners will stay intact and stable for several years.

Choose our Glossy media for a shiny and bright banner or our Matte media for a subtle look. Our Mesh banner is suitable for windy outdoor conditions.

We print our banners on digital printers that use Eco-Solvent inks for a greener environment. Eco-solvent ink is combined with a pigment and resin/glue, which allows the ink to adhere to the surfaces that are necessary for outdoor use.

All of our banners are printed on fire-retardant media. Any banner that measures over 3 ft (36 inches) on the shortest side will be folded and shipped inside a box.

If adding grommets every 2 feet, follow this formula: 4-6 feet have 6 total grommets. 7-8 feet have 8 total grommets. 9-10 feet have 10 total grommets.

Please note that due to the fact that we print in large volumes, different material types may have different quantity options.

Quantity ranges from as low as 1 to 100. You can upload at a resolution of 150 dpi.

LARGE FORMAT POSTERS

Popular Sizes:

11" x 17"
16" x 20"
18" x 24"
24" x 36"
30" x 40"

Paper Stocks:

9 mil Photobase Glossy
9 mil Photobase Matte

Choose either of our top-notch poster stocks for a striking and picturesque display. Select Glossy for a shiny display and Matte for a more subdued, sophisticated look.

Our large format posters have high whiteness for wide color gamut.

Can be used indoors and for short-term outdoor use.

Printed on one side on digital printers using dye-base or water-base inks. No minimum quantity requirement - order between 1 to 100 posters.

You can upload at a resolution of 150 dpi.

Please note that due to the fact that we print in large volumes, different paper types may have different quantity options.

WINDOW CLING

Popular Sizes:

11" x 17"
16" x 20"
24" x 36"
36" x 48"
40" x 60"

Materials:

8 mil White Static Cling Vinyl

This bright white, opaque vinyl is held up firmly by static. Easy to remove and re-position with no residue left behind.

Window clings make dazzling displays for both business and personal use. Use them to turn foot traffic into walk-ins and customers.

Window clings are expected to last about 2 years under normal conditions.

We print our clings on digital printers that use Eco-Solvent inks for a greener environment. Eco-solvent ink is combined with a pigment and resin/glue, which allows the ink to adhere to the surfaces that are necessary for outdoor use.

Your design will be printed on the front only. Quantity ranges from as low as 1 to 100.

You can upload at a resolution of 150 dpi.

WINDOW DECAL

Popular Sizes:

11" x 17"
16" x 20"
24" x 36"
36" x 48"
40" x 60"

Materials:

4 mil White Calendered Vinyl

Bright white, matte vinyl material with low-tack adhesive backing for easy removal.

Display custom decals on walls, company cars, or other company property - anywhere with a clean, flat surface.

Unlike window clings, decals aren't limited to glass surfaces. They can be applied to any clean flat surface, have low-tack adhesiveness, and are easy to apply or re-position.

We print our decals on digital printers that use Eco-Solvent inks for a greener environment. Eco-solvent ink is combined with a pigment and resin/glue, which allows the ink to adhere to the surfaces that are necessary for outdoor use.

Decals can be printed on one side only.

Resistant to heat, water, and abrasion, with a usual life expectancy of about 2 years. Quantity ranges from as low as 1 to 100.

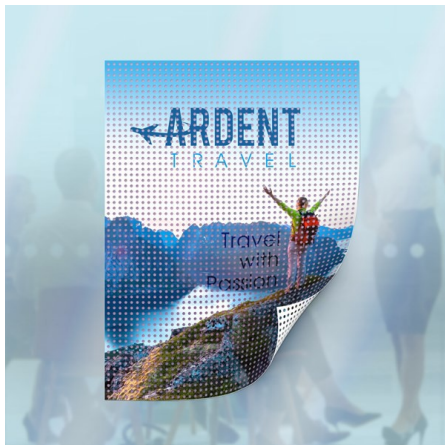

You can upload at a resolution of 150 dpi.

WINDOW DECAL

Popular Sizes:

11" x 17"
16" x 20"
24" x 36"
36" x 48"
40" x 60"

Materials:

9 mil 60/40 Perforated Window
Film

White semi-gloss perforated film with black
adhesive on back.

Window perfs make beautiful window displays for both business and personal use. The perforated window film provides two-way visibility, allowing you to promote your business, while maintaining a view of the other side.

Apply to glass surfaces only.

Each perforated hole measures 1.5mm in diameter and takes up 40% of the canvas, which means your custom message and image will be printed on the remaining 60%.

It's easy to get creative with window perfs: apply them to your storefront windows, which provides a tinted view from the inside, as well as a see-through effect from both the inside and outside.

Window perfs are held up firmly by the adhesive backer and are easy to remove and re-position, with no residue left behind.

We print our window perfs on digital printers that use Eco-Solvent inks for a greener environment. Eco-solvent ink is combined with a pigment and resin/glue, which allows the ink to adhere to the surfaces that are necessary for outdoor use.

Quantity ranges from as low as 1 to 100.

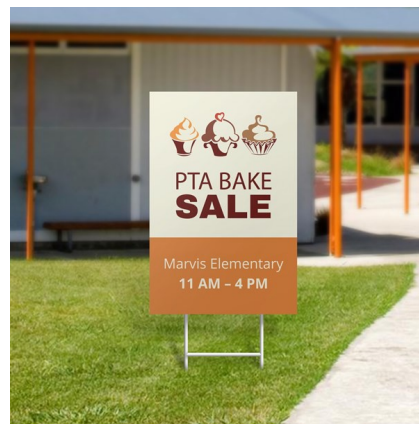

You can upload at a resolution of 150 dpi.

YARD SIGN

Popular Sizes:

18" x 24" Rectangle
18" x 24" Arrow
23" x 23" Apartment
24" x 24" Square
24" x 36" Rectangle

Print Options:

Full Color Both Sides
Full Color Front, Blank back

Materials:

4mm Corrugated Plastic with Semi-Gloss Surface
6mm Corrugated Plastic with Semi-Gloss Surface

Step Stakes (Included):

Metal Step Stakes
Plastic Step Stakes – 24" x 24" and
24" x 36" (6mm) sizes only

Whether you're making an announcement, promoting your business, or supporting your local candidate, yard signs will help you get noticed quickly.

Printed with UV ink, for longer durability – scratch, abrasion, and weather resistant.

Keep in mind that yard signs designs should be kept simple and the text visible from a distance so passersby can grasp the message in seconds.

Quantity ranges from as low as 1 to 100.

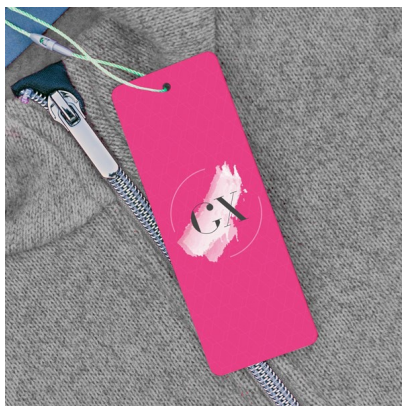

Please note that due to the fact that we print in large volumes, different sizes may have different quantity options.

HANG TAGS

Popular Sizes:

2" x 2"	2" x 4"
2" x 3"	2" x 5"
2" x 3.5"	3" x 3"

Print Options:

Full Color Both Sides
Full Color Front, Blank Back
Full Color Front, Grayscale Back

Paper Stocks:

100 lb. Gloss Cover
14 pt. Gloss Cover
14 pt. Uncoated Cover
16 pt. Premium Matte Cover
100 lb. Recycled Matte Cover
Recycled paper option available.

Drill Hole Positions:

Top Left | Top Center | Top Right
Drill hole diameter size is 1/8".

Feature your company logo, contact information, pricing, and any other pertinent information. In addition to creating tags for your products, you can also design personalized gift tags.

3 hole positions to choose from (no additional fee). View our downloadable templates for exact position.

Strings are not included with hang tags.

Choose one of our Glossy stocks for a beautiful shine, the 14 pt. Uncoated Cover for a textured look, or one of our Matte stocks for a more subdued and vintage look.

High Gloss UV Coating makes the products more durable, so your hang tags will last longer. You cannot write or print on products with High Gloss UV Coating.

If you would like to write on the back of your hang tag, you should choose the 14 pt. Uncoated Cover or select High Gloss UV Coating Front Only on the 14 pt. Gloss Cover with High Gloss UV.

For the 14 pt. Gloss paper stock, a High Gloss UV Coating will be applied to the color sides, unless High Gloss UV Coating Front Only is selected. High Gloss UV Coating will not be applied to the back if you select Grayscale Back or Blank Back. High Gloss UV Coating Front Only option may produce variation in color and brightness between the front and back of your product.

Due to the fact that we print in large volumes, different paper types may have different quantity options.

Aqueous coating will be applied to 250+ quantity orders printed on 100 lb. Gloss Book or 100 lb. Gloss Cover paper stocks.

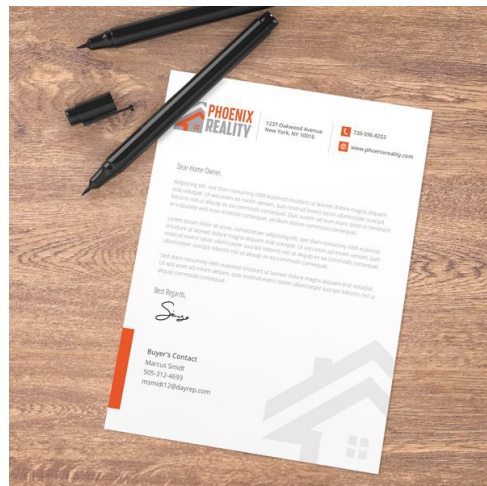

Quantities of 100 and fewer printed on 100 lb. Gloss Book or 100 lb. Gloss Cover paper stocks will be print- ed digitally with no coating.

LETTERHEADS

Sizes:

8.5" x 11"

8.5" x 14"

Print Options:

Full Color Front, Blank Back

Full Color Both Sides

Materials:

70 lb. Opaque Smooth White

Since this stock is uncoated, we do not recommend using dark, high-density colors (black, purple, blue, brown, etc.). Dark colors tend to get soaked into the paper if their color values are too high, and may cause offsetting. For best results, use lighter colors.

Letterheads are a key element of corporate identity. A personalized letterhead is a vital step to promoting your company name and being recognized. Make even the simplest letters look important and official, and command the attention of your readers!

A very popular choice for direct mail advertising, letterheads can accompany packages, documents, and any other form of correspondence.

Instead of blank sheets, create beautifully designed and informative letterheads with your business information and send them to your customers, colleagues, and employees.

We offer 70 lb. Opaque Smooth White paper for both envelopes and letterheads for a matching and professional marketing package.

If using a colored background, keep it subtle so the message will be easy to read.

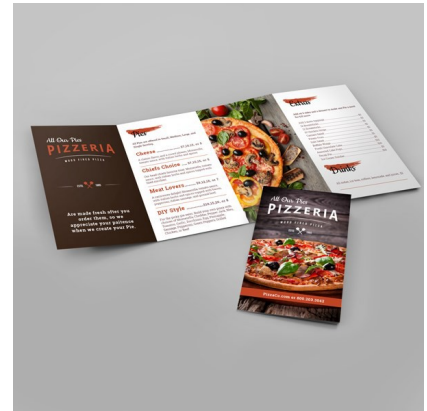

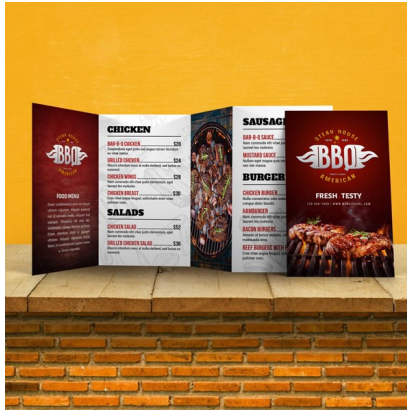

Available in full-color printing on one side, or both sides.

MINI MENUS

Sizes:

4" x 10" (Folds to 4" x 2.5")

Print Options:

Full Color Both Sides

Paper Stocks:

100 lb. Gloss Book

Folding:

Double Parallel Fold

Mini menus are not only perfect for take-out orders (just slip one in each to-go bag), but you can also provide them at your restaurant's checkout for passersby and regular customers. Conveniently small, your customers can easily store them for access to your menu options from home!

Mail menus to your customers and distribute to your local businesses and neighbors.

Design your pocket menus with pictures of your most popular menu items, and be sure to include a coupon as an additional incentive.

Aqueous coating will be applied to 250+ quantity orders printed on 100 lb. Gloss Book paper stock.

Quantities of 100 and fewer printed on 100 lb. Gloss Book paper stock will be printed digitally with no coating.

NOTEPADS

Sizes:

3" x 8"
4" x 5.5"
4" x 6"
5" x 8"
5.5" x 8.5"
8.5" x 11"

Materials:

70 lb. Opaque Smooth White

Page Options:

50 Pages
100 Pages

Notepads are an essential tool for reinforcing your brand. Give personalized notepads with your company name and logo to your customers and every time they use it, they'll be reminded of your company. It's a gift that just keeps on giving!

Whether you want to doodle, jot down a list of important facts, brainstorm ideas, or write a memo, notepads are pretty handy. Keep notepads within reach at the office for employees to use in meetings or when taking calls and messages.

Hand notepads out at trade shows, or insert them in folders with other business collateral so your customers can jot down notes about your company, or save for later.

We offer 70 lb. Opaque Smooth White paper for all of our stationery, including envelopes and letterheads, for a matching and complete corporate package.

Our notepads are glued at the top and are one-sided. Available in 50- or 100-sheet pads.

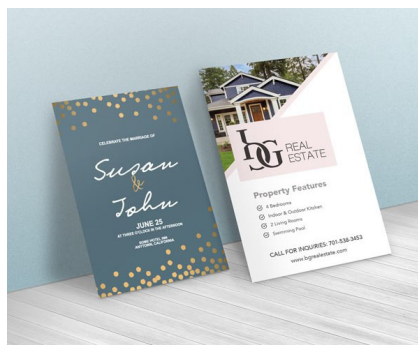

Choose from various different sizes. Small notepads are the crucial, portable note taking supply; while larger notepads are helpful in an office setting.

POSTCARDS

Popular Sizes:

4" x 6"
5" x 7"
5.5" x 8.5"
6" x 9"
8.5" x 11"

Print Options:

Full Color Both Sides
Full Color Front, Grayscale Back
Full Color Front, Blank Back

Paper Stocks:

14 pt. Gloss Cover
14 pt. Uncoated Cover
16 pt. Premium Matte Cover
24 pt. Trifecta Green with Velvet Finish
35 pt. Trifecta Pearl with Kanvas Texture
38 pt. Trifecta Black with Velvet Finish
38 pt. Trifecta Red with Velvet Finish
38 pt. Trifecta Blue with Velvet Finish
100 lb. Recycled Matte Cover

Sending a postcard advertisement for your business? Highlight the most important parts of your message with big, bold text or colorful graphics so customers can see and process the information quickly. Include a call to action for a faster response!

Get creative with our variety of postcards – use them to design invitations, greeting cards, and announcements. Include a beautiful picture and headline on the front, and provide the details of the event or occasion on the back.

Choose our Gloss stock for a beautiful shine, the 14 pt. Uncoated Cover for a textured look, or one of our Matte stocks for a more subdued and vintage look. Or try our Trifecta ultra thick, triple-layered paper for a luxurious look and feel.

Mailing: Be sure to leave High Gloss UV Coating off the back of your postcard if you will be writing on that side or addressing the back for mailers. You have the option of the 14 pt. Uncoated Cover or simply selecting High Gloss UV Coating Front Only on the 14 pt. Gloss Cover.

For the 14 pt. Gloss paper stock, a High Gloss UV Coating will be applied to the color sides, unless High Gloss UV Coating Front Only is selected. High Gloss UV Coating will not be applied to the back if you select Grayscale Back or Blank Back. High Gloss UV Coating makes the products more durable, so your postcards will last long-er. You cannot write or print on products with High Gloss UV Coating.

Our High Gloss UV Coating Front Only option may produce variation in color and brightness between the front and back of your product.

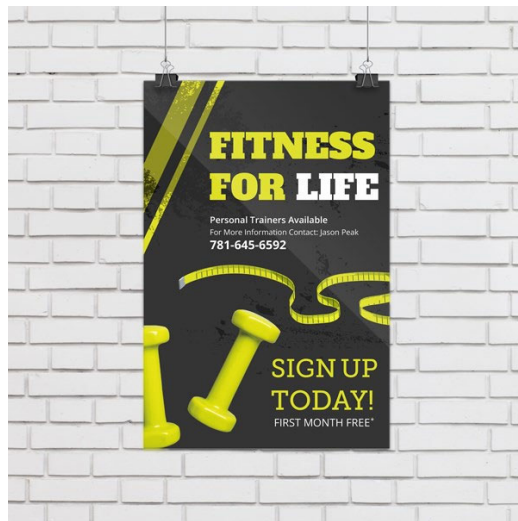

Please note that due to the fact that we print in large volumes, different paper types may have different quantity options.

RIP BUSINESS CARDS

Sizes:

- 3.5" x 8.5" Rip Business Card + Postcard
- 3.5" x 11" Rip Business Card + Rack Card
- 3.5" x 11" Rip Business Card + Door Hanger

Materials:

- 14 pt. Gloss Cover
- 14 pt. Uncoated Cover
- 16 pt. Premium Matte Cover
- 100 lb. Recycled Matte Cover

Too often we see an advertisement that interests us, but we don't have a pen and paper to jot down the contact information or the promotion details. Rip business cards are ideal in those cases, as they're two marketing pieces in one—a portion for the ad, and a tear-off portion for takeaway details. They make it simple for your customers and help ensure you'll be remembered, and more importantly, contacted.

Rip Business Cards available in Postcard, Door Hanger, or Rack Card.

Create business cards for the tear-off portion so your customers can take away your contact information. Get creative and use this portion as tickets to events, or provide coupons for customers to tear off!

Choose our Glossy stock for a beautiful shine, our 14 pt. Uncoated Cover for a textured look, or one of our Matte stocks for a more subdued and vintage look.

High Gloss UV Coating makes the products more durable, so your cards will last longer. You cannot write or print on products with High Gloss UV Coating.

Our High Gloss UV Coating Front Only option may produce variation in color and brightness between the front and back of your product.

ROLL LABELS

Shapes:

Circle (9 sizes available) Starburst (1.625" x 1.625") Oval (4 sizes available)
Rounded Square (7 sizes available) Rounded Rectangle (20 sizes available)

Materials:

Clear BOPP (Indoor) White BOPP (Indoor) White Textured (Matte)
White Vinyl (Indoor/Outdoor)

Roll Labels have not been approved for direct contact with food. Do not apply roll labels to already frozen materials. Our labels and finishes provide protection from moisture, abrasion, scratches, and harsh conditions.

All of our labels have permanent adhesives, and can be applied at temperatures as low as 25°F, with a service temperature range of -60°F to +200°F.

Wind position is an industry term that indicates how the rolls of labels are produced so that the labels dispense in the right direction off the roll at the time of application. It is important to specify a wind position when the labels are going to be applied to an end product by machine (not by hand). This ensures that the applicator receives and dispenses the labels in the correct orientation for the container.

Labels are wound onto 3" cores. This is an industry standard and should work for most applications. Typically, the core size only matters when a label is being applied by an automated labeling dispenser. We suggest you verify a 3" core will work with your application prior to ordering.

When creating your file, press gain is not an issue and there are no trapping requirements. Overprinting is used in traditional means of printing but is not necessary when printing digitally. Do not create files with overprinting attributes. These attributes will often change the appearance of the final product.

The roll label will need to be un-rolled a few layers before the printed product is revealed.

Please note that due to the fact that we print in large volumes, different paper types may have different quantity options.
